---

Here at Nest our cocktail creations are made using only the finest ingredients available, and with the utmost attention to detail. Some of the weird and wacky liqueurs used to make our drinks have multiple herb and spice infusions  
*- so if you've got any allergies, please let us know!*

Have a request? Miss an old favourite? Feel free to ask our skilled team for any drink and we'll attempt to replicate it as closely as possible.

## **Classic cocktails**

The cocktail bartenders at Nest have spent years pouring over old cocktail tomes, research papers and articles, and learnt many a lesson from cocktail bartending greats from around the world.

We've got a great love for all classics and make them with the greatest of reverence.

### **Ruby Rosella**

\$16

Nest's signature cocktail. Fresh muddled ruby grapefruit and strawberries with plenty of 42 Below vodka and fresh pink peppercorn syrup. Topped off with Delamotte NV. Immaculate refreshment!

### **Mojito 3 ways**

**The classic:** Havana Club blanco, fresh lime, mint and a little sugar. Crisp summer perfection.

\$15

**Vanilla bean mojito:** The classic twisted ever so gently using our house made vanilla bean syrup.

\$15

**Rum'n'raisin:** Rich and tempting, Havana Club 7yo blends deftly with Pedro Ximinez sherry and some rum soaked raisins to produce an absolute cracker!

\$17

### **South pinky style**

\$15

42 Below vodka has a bit of fun with Aperol and a touch of Amaro Montenegro, freshened up with fresh lemon juice and a sliver of fresh chilli... just for a bit a attitude.

### **Blood and Sand cocktail**

\$15

A perennial classic. Dewars 12yo scotch combined with Cherry Heering liqueur, sweet vermouth and orange juice. Simply one of the greats for any Scotch enthusiast.

### **Cranberry julep**

\$16

The reason bourbon was invented (well, one of them!). Maker's Mark bourbon shaken with Chambord, fresh raspberries, lime, cranberry juice and mint. Served long, tall and proud!

### **The Nest Punch**

\$20

Nest's own special blend of two rums, a little cognac, house made passionfruit syrup, orange and lime juices, falernum syrup, bitters and maraschino liqueur. A flavour trip, a powerful kick and too much goodness for one glass.

### **Pear and thyme Collins**

\$15

Pear and thyme all smashed up and bolstered by a healthy measure of Plymouth gin (or vodka by request!), balanced with fresh lemon juice and sugar – don't forget the fizz.

### **Tequila daisy**

\$17

Herradura reposado tequila with a touch of lemon, Cointreau and pomegranate syrup. Don't like tequila? Think again. Only the finest tequila served simply and with care. Stunning.

### **Orange and toasted cardamon caipirinha**

\$15

Phew, long name for a short drink! Brazil's national spirit cachaca served in a great twist on its national drink. Fresh wedges of orange and lime crushed with a little cardamon and plenty of spirit lifted with sugar.

### **Victorian sling**

\$16

The tall boy in the class and an absolute summer classic. Plymouth sloe gin, Plymouth gin and fresh lemon juice with a lacing of Verdrenne supercassis - all churned up with crushed ice. Simple. Amazing.

### **Golly gosh!**

\$15

....is what you'll say - perhaps! So tasty it's not funny. Berries, Havana Club blanco, Chambord, lime and elderflower cordial served tall and topped with ginger beer.

### **The way we were**

\$18

Hennessey VS caressed by fresh apple juice, a touch of orgeat - the almond syrup, Peychaud bitters and honey liqueur. Shaken hard with a dash of egg white. Definitely the quiet achiever, definitively delicious.

### **Contessa's weakness**

\$20

A muddled poached apricot and some clove infused Grand Marnier really set the tone for this baby. A dash of bitters picks up the pace before a good charge of Delamotte NV leaves you giddy with excitement!

### **Thai gimlet**

\$15

Muddled lemongrass and a little kafir lime add Asian influence to a Brit classic. Rose's lime marmalade, plenty of Plymouth gin and a little fresh lime all bring this baby to its zenith.

### **Espresso martinis**

\$16

Vodka, tequila, rum or cognac - your choice! Shaken hard with fresh espresso, Kahlua Especial and a little house vanilla syrup. Supercharge your coffee hit in fine style.
